£3425.27

We are so proud of our caring and compassionate community and the strength and support they have shown this year in such sad circumstances. You raised a whopping £3425.27! Nabeel's family were present at the start of the obstacle race and we will consult with them about how best to spend this money to create a happy place to remember him in school. If you still have any outstanding money, please bring it to the office on Monday. Thank you.

Come and join us at Kestrels' Field Primary school for an afternoon filled with lots of fun. It will be taking place at the Infant building on Friday 29<sup>th</sup> June from 3.30pm

There will be a wide selection of food, games and stalls for the event. There will be a bouncy castle and bouncy slide for children to enjoy.

All money raised will go towards funding the school's new libraries with lots more stories and reading books for children to enjoy at school and home.

We look forward to seeing you there ☺

Well done to all of the children in school for their contribution to the shared Eid assembly.

## Infant School Gates

We will have noticed that our infant site is now secure with electronic school gates. You will have to buzz in and out and this allows full knowledge of who is on school grounds at any time. These will be locked, along with all other gates, at **8.35am**. Children are encouraged to be in school at 8.20 and the register is taken at 8.30am. After this time they are late and you will have to go to the front office.

This year we introduced our new Kestrels' Field character behaviours, which were chosen with help from the children, staff, parents and governors. Throughout the school, the children have embraced the character behaviours of **Respect, Resilience, Compassion and Curiosity**.

When a member of staff feels that a child is demonstrating any of these character behaviours, they can award them with a Class Dojo Point. Once a child reaches **70 Dojo points** they will be awarded with a badge to go onto their lanyard, which are worn to all assemblies. The badges will be given out during our celebration assemblies and parents will be emailed an invite to join us for this assembly.

After they have achieved one badge they will continue to earn more points and every 70 points they will be awarded with a new badge (**red, yellow, green, blue**, character badge then start the cycle again). By the time your child finishes Year 6, they should have had the opportunity to work through our award system and can become school ambassadors who will be awarded with a school tie. To make it possible for our older children to achieve this, they have started further along the award system and are already earning character badges.

The table below shows the badges that your child should be aiming to achieve.
