Admissions Policy

*For entry to Broadgreen International School
from
September 2019*

BROADGREEN INTERNATIONAL SCHOOL

ADMISSIONS POLICY FOR SEPTEMBER 2019 ENTRY

Broadgreen International School is a Trust School with Foundation Status. As such, the Governors of the School are responsible for the admissions policy.

APPLICATION PROCESS

Applications to the school are part of the Co-ordinated Admissions Arrangements operated by Liverpool Local Authority.

ADMISSION TO YEAR 7 SEPTEMBER 2019

To apply for a Year 7 place in September 2019 parents should consider the details of the school's admission policy as published in the Liverpool Admissions information which is available to all Liverpool pupils in Year 6. The following action will be required:

1. Complete your home local authority's common application/preference form naming Broadgreen International School as one of the five preferences.
2. Return the completed admission form to your home local authority as directed by the named closing date.

When allocating places to Year 7 in September 2019, the school will follow the equal preference scheme determined by Liverpool Children and Young People's Service.

The school has a current Published Admissions Number for entry to Year 7 of 210 boys and girls.

In the event of oversubscription the following criteria in order of priority will apply:

1. Looked After Children
Looked After Children now includes children who were previously Looked After Children but this has now ceased as they have been adopted or subject to a residence order or special guardianship order.
2. Children with exceptional medical/social needs (including children in need as determined by Section 17 (10) of the Education Act 1989) supported by professional documentary evidence (from either a registered health professional such as a doctor or a social worker). This evidence should set out the particular reasons why Broadgreen International School is the most suitable and the difficulties that would be caused if the pupil had to attend another school.
This information should be returned directly to the Governing Body of the School by the same closing date as set by the Local Authority for the common application/preference form.
3. Children who have a sibling* at the school on the expected date of admission or who have older siblings who were former pupils of the school
** Siblings include brothers, sisters; half brothers and sisters; step brothers and sisters; foster brothers and sisters who are living with the same family at the same address as a family unit.*
4. All the remaining applicants whose parents/carers have expressed a preference for the school

TIEBREAK

In the event of over-subscription, within every priority the tie-break will be the proximity of the child's home to the school, as measured by straight line distance from the child's permanent home address to the school. Liverpool Local Authority's computerized measuring system is used to measure the distance.

If two or more children live the same distance from the school and there are fewer places than applicants, random allocation will be used to decide which child is admitted.

RESERVE LIST

A waiting list will be established to cover any vacancies which may arise from offers not being taken up. The list will be ranked according to the Admissions priorities as stated and parents will be informed of the child's position on the list if they indicate a request for this information. For all year groups, the reserve list will be maintained until the end of the first academic term.

IN YEAR APPLICATIONS

Since September 2015 the school's Published Admission Number has been 210 in all year groups.

Applications for Year 7 after the Autumn Term has begun, and for Years 8 to 11, will be considered if there is a vacancy in the relevant year group. Such applications will be considered in accordance with the priorities for over-subscription as indicated already for Year 7.

The Local Authority coordinates in-year applications. Parents who are new to the city and who wish to transfer their child to Broadgreen International School should contact Liverpool Direct for an application form. Parents whose children already attend a Liverpool school should liaise with their current school in the first instance.

Pupils will be admitted within 10 days of receiving the offer of a place.

CHILDREN WITH A STATEMENT OF SEN

Following consultation with the local authority, children with a statement of Special Education Needs where the school is named will be admitted.

ADMISSION TO SIXTH FORM

Admission to the sixth form is generally negotiated with the student prior to entry. It is not necessary for year 11 pupils from Broadgreen International School who want to enter the sixth form to formally apply for a place, and advice about the options available will be given prior to entry.

We welcome all applications to the Sixth Form including students from other schools, establishments, and areas, as we endeavour to avoid barriers to learning and to promote equality of opportunity.

The range of courses on offer is published annually in the Sixth Form prospectus and online and candidates will be invited to a pre-admission guidance meeting with Sixth Form tutors.

Application forms, prospectus and further details on admission to the Sixth Form are available from the school.

APPEALS

Parents have the right to appeal to an independent panel in the event of being refused a place for their child. Unsuccessful applicants can obtain information explaining the process of appeal by writing to the Clerk to the Chair of Governors.

GENERAL

The Governors will consider only one application per child in any given academic year, unless there are exceptional circumstances.

Appeals timetable

For entry to Broadgreen International School from **September 2019**

Appeals will be heard in line with the new Admissions Appeals Code that came into force on 1st February 2012.

Timetable: Year 7 Secondary Transfer

The Local Authority coordinates all Y7 admissions into Broadgreen International School however if you are not offered a place you can appeal against the decision.

Parents wishing to appeal should obtain an appeal form from the school.

The Liverpool City Council Children, Family and Adult Services ‘School Admission Appeals A Guide for Parents’ document contains useful information you should read before you complete the form (Please note – although the Local Authority coordinates admissions, the school is responsible for appeals so the Broadgreen Notice of Appeal Form should be used and not the one in the booklet)

It is important that you include on the form every detail, which you feel is relevant to your appeal. The form will be made available to the Appeal Panel before the hearing and it is therefore important that you complete it carefully.

It is important to note that, when considering a request for admissions the only address that will be considered, is the permanent address where the child lives. The Local Authority defines the home address of a child as the address of the parent(s) or legal guardian(s). Your address plays an important part in the appeal. You are strongly advised to provide evidence of your current or new address if you are planning on moving house. The Appeal Panel will ask to see this evidence which could be a council tax bill, a tenancy agreement, a utility bill (water, gas or electric) or a letter from a solicitor confirming exchange of contracts.

If your appeal is based on medical grounds, you are strongly advised to produce medical evidence for the Appeal Panel in support of your appeal.

If your appeal is based on bullying grounds, you are strongly advised to produce evidence of the bullying for the Appeal Panel in support of your appeal.

Should an appeal be unsuccessful, the Governing Body will not consider further appeals within the same academic year unless there have been significant or material changes in the child's circumstances

When completed, the form should be sent to reach the Clerk to the Appeal panel, care of Broadgreen International School, **before Friday 29th March**

Appeal hearings will be held during May/June/July 2019.*

**The aim is to hold all appeal hearings within 40 school days of the deadline for submitting an appeal. In some exceptional circumstances we may need to hold hearings after this date.*

The appellant will receive 10 days' notice of an appeal hearing date and time.

In-Year Admissions

If the Governors of Broadgreen International School do not offer your child a place you have the right to appeal against their decision to an independent appeal panel.

Parents wishing to appeal should obtain an appeal form from the school. The form should be sent to reach the Clerk to the Appeal panel, care of Broadgreen International School, within 14 days of the date of the letter confirming the governors' decision not to offer a place. Should an appeal be unsuccessful, the Governing Body will not consider further appeals within the same academic year unless there have been significant or material changes in the child's circumstances.

Appeal hearings will be held within 30 school days of the appeal being lodged.*

** In some exceptional circumstances we may need to hold hearings after this date.*

The appellant will receive 10 days' notice of an appeal hearing date and time.
