Dear Parents

Feeling Hot Hot Hot

Please can you ensure that your child has sun cream applied and has their water bottle and a hat in school every day during the hot weather. Our playground can act as a sun trap during the day. Thank you for your co-operation.

'The Caretaker'

Our new caretaker is taking part in a charity boxing match under the pseudonym 'The Caretaker' to raise money for Macmillan Nurses. If you would like to sponsor our caretaker, please visit his 'Just Giving' fundraising page at <https://www.justgiving.com/company/teams/dwcb> and search for Matt Wooldridge. Thank you for supporting this worthy cause.

The Big Build

A reminder that we are holding 'The Big Build' for our Year R children in school on Wednesday this week. We look forward to seeing Dad's, Uncles, brother's etc. and any other family members who may have construction skills they can lend to us to help us build dens.

Health & Safety

May I again remind you of the importance of keeping your children with you and of taking care when entering and exiting the playground, especially when passing through narrow areas. A child was recently injured after being knocked when too many people were attempting to pass through a small gate at the same time. We know you are all in a hurry to collect your children at the end of the day, but please take time to leave safely. Thank you.

Library Books

Could we please have all library books returned to school by Friday this week. If your child has mislaid their book, please replace this with a book of your choice.
