

Woodnook Primary School

Newsletter

26.06.18

Together we are FAIR in all that we do.

Heatwave

We are currently experiencing glorious weather. To ensure that children are safe in the sun please ensure that they have applied sunscreen before coming to school in a morning. Children are also advised to wear sunhats to protect their scalps. This will be particularly important on sports days and the afternoon of the summer fair

Summer Fair

Our annual Summer Fair will be held at 2pm on Friday 29th June. The entry cost for adult will be 50p but children will be admitted for free. We will not be providing carrier bags so we advise people to bring one with them. Each Woodnook child will be provided with tickets for an ice pop and two 10p games so money will be needed if more activities and games are played. The event will be held on the bottom yard and children from High School will NOT be admitted.

Sports Days

We have arranged to use The Hollins' sports facilities at King George's Field for our sports days. They have however said that they will only permit the children who attend Woodnook to use their toilet facilities for safeguarding reasons. Parents and siblings are welcome to watch the events but need to be aware that they will not be allowed to use the bathrooms at the school. Children should come to school on the day in their sports wear. They should also ensure that they bring a water bottle so that they stay hydrated.

Key Stage 1 Sports will be held at 1:30pm on Friday 6th July

Key Stage 2 Sports will be held at 1:30pm on Friday 13th July

The events will be cancelled if the weather is unsuitable. They will not be rearranged as no other dates were available.

Looking forward to seeing you in the near future and thanking you for your continued support

Niana J. Trayner

Headteacher
