Update

An Update From Your PTA...

The Mount School PTA has been up and running for over a year now and in that time we have run several events and are pleased to announce we have now raised over £1000!! This has been such a great achievement and we hope to run more events in the future to continue to raise funds for the school.

It has been agreed that this money will be used to support the school to create a new allotment/ planting area which the children can enjoy. The children will be able to help to choose a new green house and gardening equipment with the money raised. Thank you to all parents for your support in our fundraising activities.

The PTA team has grown and we now have a few more volunteers to help out at events and with the organisation which is great.

We would love more people to get involved - any type of support would be gratefully received, whether that's becoming part of the PTA and coming along to meetings to meet other parents or just volunteering your time at one of the events we organise.

If you would like to get involved, please let either myself- Jenny Craig, Caroline Fish, Anna Elsby or Sine Curley know, or give your details into the School Office.

The PTA have also heard from pupils via the school's pupil survey, and will assist with procuring a Buddy Bench for the playground!
