

Summer Term 2

In Nursery 3, our theme is 'The Farm'. We have been learning about the Farmer and all the animals that live on the farm. We even made a huge cow with udders that we pretended to milk. We have been using the boxes and crates to make tractors and we have been painting using sweet corn, which was tricky but lots of fun. Last week we were very excited because we finally got the chance to see all the animals we have been learning about when we went on our trip to Smithills Farm. The coach arrived and we had fun travelling to Bolton. On the way we could read the signs. "Oh, look! That says Police Station," said one child. "I go to that shop," said another, "it says Asda".

We arrived at the Farm very excited and ready for our fun filled day. The first stop was to ride the donkeys. "It's very big!" said one child as they were lifted up. There were lots of smiles and giggles as the donkeys went on their way with almost thirty children having a go. Next stop was off to the Pets Corner where we were delighted to hold baby chicks (we were very experienced at this), baby rabbits and feed hungry lambs. We even got to stroke a barn owl and a three-day-old donkey. The best was yet to come! Our favourite part of the day was when we went on the huge tractor. We sat in the trailer at the back and had a very bumpy and funny ride to the top of the field where we got to feed some hungry horses and donkeys. "I love the tractor," said one child. After a busy day we finally arrived back at Nursery with lots of things to tell and happy memories. What a great day!

We have also been learning about different cultures in Nursery 3 and we had a lovely time making a sweet pudding called Helva using semolina, nuts and silver paper that you can eat. Mishal's mummy came into help us make them and told us all about the special celebration of Eid. "This is yummy," said one child.
