Admissions Policy

Introductory Statement

Mayfield Primary School caters for pupils aged 3-11, located in Derker near to the centre of Oldham. Our Academy is part of the Cranmer Education Trust and caters for over 240 pupils. We are a vibrant and inclusive community, and our skilled and dedicated staff work hard to provide a wide range of educational experiences for the children in a safe and stimulating environment.

Cranmer Education Trust is the overall admissions authority for the Academy with decision making delegated to the Academy’s Governing Body.

The Academy is part of the co-ordinated admissions arrangements operated by Oldham Council (the Local Authority) and the Local Fair Access Protocol. The school co-ordinates in year transfers to the school. Oldham Authority will allocate reception places.

The Academy will comply with the School Admissions Code (DfE Dec 2014) and the School Admission Appeal Code. This policy is based on the current codes but will be reviewed in the light of any future changes in the law.

An Independent Appeals Panel hears any appeals from parents whose child has not been allocated place at Mayfield Primary School, and who lodges an appeal in accordance with the procedure specified by the Local Authority.

Pupil admission number

The Academy has an admission number of 30 pupils.

The Academy will accordingly provide for the admission of 30 pupils each year if sufficient applications for entry are received. Where fewer than the published admission number(s) for the relevant year groups are received, the Academy Trust will offer places at the Academy to all those who have applied.

Oversubscription criteria

The oversubscription criteria are only used when it is necessary to determine who will be offered a place when a school receives more applications than there are places available.

Children with a statement of special educational needs

When determining oversubscription criteria all admission authorities must ensure that they take account of their statutory responsibilities in respect of children with statements of special educational needs.

All governing bodies are required by Section 324 of Education Act 1996 to admit to the school a child with a statement of special educational needs that names the school. This is not an oversubscription criterion.
The Criteria
The following criteria will be applied to determine which pupils have priority for admission:

Criterion 1
Children in care or children who have previously been looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order will be given the highest priority for admission.

Criterion 2
Those children who have a brother or sister at the school who will still be attending when their sibling is admitted to the school.

Sibling link: We accept that in some family units (one or two parents or carers and children), the children may not be natural brothers or sisters. Older children from the same family unit, living at the same family address, can be considered as a sibling link under this criterion. A sibling is your child’s brother or sister (including half-brothers and sisters, stepchildren and fostered children living with the same family at the same address). Please note that cousins do not count as siblings. Checks will be made with the relevant schools that siblings do live at the same address.

Twins or Triplets: In cases where twins, triplets or other multiple birth siblings are split when allocations take place, they will be allocated a place over the Published Admission Number.

Criterion 3
Those children who live nearest to the school.

Home to school distance measurement: Distance will be calculated by the straight line measurement from the applicant’s home address location to the school. This will be determined by using the internet using both postcodes.

Flats/apartments: In the event of two or more children living an equal distance from the school, e.g. blocks of flats and there is only one place available, the place will be decided by random allocation (lottery).

Permanent address: The only address we can consider is the permanent home address of the child. The permanent home address is considered to be the address of the adult/s with whom the child is permanently resident. Where a child stays with another parent for part of the week, further enquiries may be made in order to determine where the child is predominantly resident.

Tiebreak criterion
It is possible that at some stage of applying the above criteria, a school becomes oversubscribed with requests for places. In these cases, the parents who live closest to the school will be offered the remaining places.

Childcare arrangements
If a child-minder, grandparents, or other family member cares for the child on a daily basis at another address, we cannot consider this address for the purpose of the school admission process.
Moving
We can only consider the parents’ address at the time of the allocation process. An intention to change address cannot be considered until such a move has actually taken place and proof is available to substantiate the change of address. Parents must notify the Admission Authority and provide proof of the new address, such as a copy of a signed tenancy agreement, or a utility or Council Tax bill, if they move house before the offer date. The last date by which exceptional changes can be made is 15 February in the year of admission.

Fraudulent information
We will take strong action and the school place offered may be withdrawn if a false address is given or one where the child is not actually living when s/he is not at school.

Children who attend a school nursery
Attending the nursery at Mayfield Primary School does not guarantee admission. It does not give a child any guarantee or priority for admission to the reception class. If your child attends the nursery, you must make a separate application for admission to the reception class along with all other parents.

Waiting List Procedure
Waiting lists will be maintained by the School for children not offered a school place. Position on the list will be determined by applying the over-subscription criteria.

Positions on the waiting list may change due to new or late applications where these have a higher priority based on the oversubscription criteria. The waiting list will be adjusted to take account of late or in-year applications.

Names will be removed from the lists if requested or if the offer of a place that becomes available is not accepted.

Late Applications
Late applications are considered as detailed in the Local Authority’s co-ordinated and in-year admissions scheme.

Deferring or Delaying Entry to Reception Classes
Please refer to the Local Authority’s policy which is available on the Oldham Council website www.oldham.gov.uk/admissions

Management of Applications
Applications will align to the Local Authority’s timetable for applications each year.

Independent Appeals Panel Procedure
Any parent/carer whose child is not offered a place at Mayfield Primary School has the right of appeal to an Independent Appeals Panel. Information on how to appeal will be provided with the result of the application. The Appeals procedure is co-ordinated and managed by the Local Authority and further details can be found on their website.
