To the wonderful staff and children at St Stephen's Infant School,

Thank you so much for your very kind donation of £116, which has been received by us safely. What a lovely surprise this was to get in the post - there were lots of smiles when we read your letter!

Your wonderful donation ensures that our nurses can continue to do the amazing work that they're already doing - supporting families with terminally ill children in the local area. With a rise in families that are needing our services, we really do rely so heavily on the generosity of the community - the donation from your school really is so important, so thank you!

I hope you all had fun on your "skipping day" - it certainly sounds like a lot of fun!

Once again, a great big thank you from everyone at Jessie May.

Kindest regards,

*Lucy Hazzell - Thankyou! * 😊*
