## REMINDERS

Wednesday 11<sup>th</sup> –  
moving on afternoon

Thursday 12<sup>th</sup> July: Year  
6 Leavers' Party

## Defibrillators

You may remember that we started the year with a big Diwali event, followed by the discos and the Christmas fair to raise money for 2 defibrillators to be mounted on the gates at each site for the school and community to use should the need arise. We are desperate to complete this project by the end of the year, we have raised enough money with the events above to buy the defibrillators, now we need £700 for their heated cases that can be mounted on the fence.

PLEASE dig deep at the fair tonight to meet this figure. 😊

## Sports Days

All sports days will take place at the **infant site**. Please come along to support the children and get involved in the activities too - there will be a parent race and a teachers VS parents tug of war, so come prepared!

**Monday afternoon, 1:30 – 3:00: Years 6 & 4**

**Tuesday afternoon, 1:30 – 3:00: Years 5 & 3**

**Wednesday morning, 10:00 – 11.30: Nursery and Reception**

**Wednesday afternoon, 1:30 – 3:00: Years 1 & 2**

Your child will need their P.E. kit to change into and a water bottle on the day. If your child is in KS2, the children will walk over in their P.E. kits and return to the junior site for the end of the school day as per usual.

*Year 6 are completing an enterprise project at sports days to pay for their Year 6 party. There will be drinks and ice-lollies for the crowd. Please bring some money along with you if you would like one!*

More of our children are now playing games online; but there are some dangers. With so many games available online, it can be hard for parents to know how to keep their child safe. Remember to keep talking to your child about what they are doing and seeing online. Agree a set of rules with your child for them to stick to. If you have any concerns about what your child is viewing online please speak to your child's phase leader. Visit the NSPCC website for more information.

## Clubs Update

- A reminder to parents that there will be **No Clubs** in the last week of term (July 9<sup>th</sup>-13<sup>th</sup>).
- Information about clubs for the new academic year will be shared when the children return to school in August.
- We have an exciting new arrangement for some sports clubs to be led by Rising Stars. More information on this will follow ahead of the new academic year.
- We are also in the process of talking with Hamilton After School Club about the possibility of providing after-school club care until 6pm. We are hoping for this to be based at the old Sure-Start Centre at the Infants building. We hope you will understand that this process takes time but we will keep you informed regarding our progress.

Year 6 Residential – our character behaviours at their very best.

Well done to those children who completed a week of camping and adventurous activities. It was exhausting, but great fun!
