Achieves More

As the Summer term approaches its end, we would like to say a huge thank you to all of the parents who attended, and cheered for the children, at Sports Day 2018. Once again, it was a fantastic occasion that truly **showcased the amazing athletes and sports stars we have at Biddick**. The competition was fierce, the teams tested themselves against each other but, most importantly, the children had a great time with their friends and **enjoyed being active, fit and healthy** on a lovely, sweltering summer day! It was a nail-biting, close competition, where we saw **amazing sportsmanship** and effort from all the teams involved in sports day, though we did find a final winning team. The staff heard many comments from the spectators mostly saying how well organised the day was but also about the fantastic behaviour of the children.

1st	Scotland	447
2nd	Ireland	426
3rd	Wales	422
4th	England	419

Accuracy League

1st Y5 Mrs Booth 94.2%

Tuesday 17th July
Y4 & Y5 Meet the Teacher 5pm

Wednesday 18th July
Y1 & Y2 Meet the Teacher 5pm

SPOTLIGHT ON: Y1 GO WILD!

Y1 had a **ROARSOME** day celebrating their topic – 'Go Wild.' They all came in dressed as their favourite animal and brought in a project they had created at home. They spent the morning sharing their projects and artwork which included collage animals. There was a range of projects from posters, paper mache animals, 3D models, posters and great use of cardboard! Who had the most fun – children or adults?

Transition Week for Y6

The children who will be going to Biddick Sports Academy in September have been enjoying a week of learning there this week. The staff are looking forward to hearing all about it next week...

WORLD CUP LUNCH

To celebrate the World Cup, the menu was appropriate...
Messi Fish Goujons, Ronaldo Kickin' Chicken, Goalie Choc Chip Cookie and a Hat Trick of Fresh Fruit and Ice Cream
The children enjoyed choosing from the menu and the food was delicious.
