

In Gods hands we love, learn and grow.

A note from Mrs Adams:

What a hot couple of weeks this has been! Well done to all pupils and staff for going ahead with sports days in these hot conditions. Thank you to families who joined us too. Just to let you know, the end of year reports will be coming out on Thursday 12th July. This is later than we would have liked to send them but the Y6 SAT's results are coming out later than usual this year so we are having to wait for those first. Please see the after school clubs letter for next term, which will accompany this newsletter. We are delighted to welcome a new company called 'ACES' and also Andre, who will be the coach for football. He will be running a taster session in school time on 10th July for any pupils who might be interested. Please sign up on parent pay in the usual way.

Academy News

I have some staffing news to share with you.

Miss Wilson will be leaving for maternity at the end of this half term and Miss McCann will be covering her maternity leave. We will of course share news of the baby.

Mrs May has now left our academy and on behalf of staff and governors I would like to wish her well for the future.

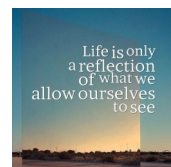

News of classes and teachers for next year will be coming out shortly and transition

Christian Values

Our Christian value theme for this half term is:

Reflection

All truly great thoughts are conceived while walking...

Sports Days

Thank you to all the parents and carers who have attended and supported with Sport Days this week.

We hope you enjoyed watching your children in their races.

We thought the children did really well in these extreme weather conditions.

Thank you to the parents/carers who provided sun hats, water bottles and put sun cream on their child. This helped us to ensure the children were safe and protected while we were outside.

Charity Raising

Well done to Lola and Yvie who have had all their hair cut off to raise money for charity. A very brave thing to do.

We think you look great.

Educational visits

The children have been on, or will be going on, educational visits this half term. They also need water rather than other drink types to keep hydrated. The staff do make sure that they have access to their water on the coach and at the venues.

Can we also remind you that these visits are educational and even if you have visited with your child as a family, it is still important that they visit with their class in order to maximise learning objective potential.

Safeguarding

The children have been learning about staying safe online this week relating to E-Safety.

Please ask your children some questions so you can find out some important information yourself.

They have produced some great work so well done children.
