

East Riding of Yorkshire Council

Anlaby Primary School

'Ambitious, Proud, Successful'

Whole School Attendance

95% - Requires Improvement.
Well done to Murphy who had an attendance of 99% and Ahlberg who had an attendance of 98%.
They will get an extra five minutes playtime.
Well done them!
The Anla-Bee challenge this week was won by **KS2 Rowling**
KS1 Donaldson

Mathletics

This week we were able to hand out 83 certificates!

The winners of the Key Stage 2 Mathletics Trophy was Kinney

The winner of the Key Stage 1 Mathletics Trophy was Potter.

Well done to both classes for a fabulous effort.

Keep on practising as it will help you remember those basic facts

NEWSLETTER 29th June 2018

This Week

Mrs Oliver has finally got the hose pipe connected so the water tray can be outside in the glorious sunshine. The children have had great fun and everybody is a little wet! Bluebell the fairy was found to be sleeping in her fairy garden. The first time the children have ever see her.

In Year 1 Sharratt and Donaldson have been looking at Amazon river-animals and drawing them in the style of Romero Britto.

Ahlberg and Potter have been doing some detailed drawings of pirate ships, looking at how the climate is different in different parts of the world and writing their own sea shanties.

Dahl and Murphy have been learning how to use Powerpoint on the computers to create their own presentations about rivers.

Kinney and Morpurgo have been looking at electrical circuits and how switches work. They have created their own circuits with a switch and used it to send Morse code messages to each other.

Herge and Walliams have been researching Tudor crime and punishment. They have also been reading the Executioners Daughter and trying to solve a Tudor murder mystery.

In Shakespeare and Rowling they have been rehearsing their end of year production. They have also been reading Michael Morpurgo's Outlaw which is about Robin Hood and is helping them understand their production!

Have a great weekend.

Haltemprice Sports

We had a fantastic night at Costello stadium as we competed in athletics against a number of local schools. The children threw themselves in to the competition with gusto and really tried their best.

After a strong showing in the throwing and jumping last year this year it was the running events were we managed some top three finishes and still some frustrating 4ths!

The most important thing was all the children had a good night and did us all proud. Well done to them all.

Lastly a big thank you to Mrs Allen and Miss Inglis who did so much work organising the children. Also a thank you to all the staff who turned up on the night to give support. And lastly a thank you to parents for taking the children and supporting them on the night – it was much appreciated.

	Frozen Yogurt		Chocolate Oat Delight & Custard	Summer Cupcake or Fruit

Summer Fair

The weather was glorious again for the Summer Fair this year and a good day was had by all.

Despite having to compete with the World Cup on the television and a football tournament at Hessle High School, we still managed to have a very good turn out with lots of people willing to part with hard earned cash to support the school. So thank you to everybody who turned up to help or just take part.

A special thanks to all the wonderful members of the PTA who once again did a fantastic job in organising it all.

The beer tent proved to be very popular and so was gunge the teacher. However, I am not happy that for the second year running it turned out to be me!!!

So far we have not heard how much money was raised but we will let you know as soon as we do.

Date for your Diary

In order to try to give you as much notice as possible regarding events around school, this section will be dates for up-coming events. We may need to change events at times but will try to keep this to a minimum.

Tuesday 3rd July - Whole School Maths day
Friday 13th July – Reports to go out to parents
Tuesday 17th July – Transition morning
Wednesday 18th July – Celebration Evening
Thursday 19th July – PTA Y6 Leavers Disco
Friday 20th July – Year 6 Leavers Assembly

World Cup Flags

Can you match the flags to the 32 teams playing in the World Cup?

I know it would be better in colour but that would have been far too expensive!!!

Letters electronically

Speaking of costs. We are considering emailing all letters and newsletters out or using our App. Let us know what you think.

Did you know?

Football was invented in China nearly 476 B.C.

Football is the most watched and most played sport on earth. Only Canadians and Americans call football Soccer. 80% of the world's footballs are manufactured in Pakistan.

Pele was the first to call football "the beautiful game". The total length of the football field is 100 yards.

The North Korean Rungrado May Day Stadium is the largest football stadium in the world.

Until 1913, Goalies did not wear different coloured shirts from their teammates.

From the Classroom Floor

All the children in year 6 who went on the residential had a fantastic time. The weather was brilliant and the activities amazing.

If you are currently in Year 5 we would certainly recommend going on the residential next year wherever it is! You will have a great time. Giacomo and Eliza.

I would like Mr May to know...
