

29th June 2018

Dear Parents / Carers,

Each class has been given a small amount of money and have to think of a business enterprise to increase that amount. Some classes will make things to sell but Owls (year 2) have decided to plan a whole school fun run. The children have chosen this event to promote healthy living and exercise as well as raising money for the school. They will then be able to leave a 'legacy' for the class coming up whilst being able to choose a game to take to their new class for Year 3.

They have worked brilliantly and democratically as a team to plan and organise the event. They have thought of all possibilities and made sensible suggestions. The children have decided that they will split the day up in to Key Stages and will manage the event with support of their class teachers along with Mrs and Miss Stevens.

Together, they have decided to use their money to buy juice and small prizes for each year group. They have also agreed to design and make certificates for every child that wishes to take part.

Unfortunately, we are not able to invite parents as the children will be running at different times throughout the day, depending on their class commitments. They hope that you will support their event and encourage your child to take part.

To take part, there will be an entry fee of £1.50. This can be paid on School Gateway by Friday 6th July. They can come to school in fancy dress or dressed as their favourite sports person. There will be a prize for the most creative, but they **MUST** be in appropriate footwear for running.

Kind Regards

Nicola Roberts and the Owls
