Year six have had an extremely busy week this week. On Monday afternoon they visited Liverpool Cathedral for their Leaver's Service. Part of the preparation for this service was to think about a charity they wished to raise funds for. They decided to raise funds for 'Wish Upon a Star' – a charity close to their hearts. The children decided to hold a Summer Fayre and managed to raise the enormous sum of £288. Thank you so much for all their hard work and your generosity in raising this amount.

The 'Up with the Larks' activity was another success on Thursday morning. Thank you to the PTFA members who organised this event.

All the money raised will be spent on experiences or resources for the children.

The Nursery children have loved learning about pirates and princesses. This week they built a pirate ship outside which they have enjoyed playing in.

On Tuesday 3rd July there will be a 'Pop-up Sports Church' from 2pm on the Church field as well as the school field. All are welcome to attend and join in the activities.
