**Prayer**

Lord, we thank you for your diverse world. Please help us to recognise that on the outside we look different but on the inside we are all equal. Amen.

**Staying Safe**

Wow, what a scorcher it is at the moment! With temperatures soaring, we are thinking about how to keep our children, and ourselves, safe in the burning sun. Please remember to send children to school with a sun hat and sun cream (they will not be allowed to share sun cream due to allergies so will need to have their own). The children are out when the sun is at its hottest with little shade on the playground, therefore please provide a sun hat. Please also make sure that your child has a water bottle so that they can stay hydrated throughout the day. We have new water stations around school to ensure children have fresh cold water available. Thank you for your support.

**Active mark**

On Wednesday, Mr Walker and Mrs Atherton, along with our eco crew, attended the active mark presentations. We are pleased to announce that we were awarded the **“safe travel champions award.”** Congratulations to Mrs Atherton who also was awarded the **“above and beyond active travel leader”**.

**Celebrating Diversity**

This week has been our “Celebrating Diversity” week. The children have created artwork to celebrate their diverse families and understand that even though each family is different we all have the same love. They have also worked with Mrs Parkin to look at the words which are used to offend others and how they impact on our feelings. Throughout the week, I have had the pleasure of teaching each class. Each class have taken part in an activity linked with a text relating to the topic of celebrating the diversity of humanity. Please check out our twitter account and website for pictures of the activities and displays.

**“A calm and happy place to be”**

Yesterday, we were visited by school leaders from a local primary school. They came to observe our STOPs maths lessons and to moderate some Year 1 work. It was a delight to show them around the school and to hear their wonderful comments. They praised how the children were confident mathematicians and showed enthusiasm within the lessons. I was very proud to show off our school!
