Dear Parents,

In Year 4 we have been studying the life and work of Walt Disney during our English and Theme lessons. We have been writing biographies of his life, and would like to show the children the film 'Walt before Mickey'.

In order to do this, we need your permission for your child to watch the film as it is a PG rating. If we do not hear from you, we will take that as permission for your child to watch the film.

If you have any queries, please see your child's class teacher.

Kind regards,

Miss Johnstone and Miss Palmer
