Green Flag Award – WE DID IT!

We are very pleased to announce that we have achieved the Eco Schools Green Flag award! On the 17th May an assessor came to the nursery and children's centre to assess whether we met the criteria for Green Flag status, which we have.

Our green flag can be seen flying high at the front of our school.

The Green Flag Status will last for two years and we will continue to work hard to maintain it.

We would like to thank everyone for their support throughout this process; we couldn't have done it without you all.

If you are interested in joining our Eco-Committee from September please talk to Jemma Hunt (Eco-Schools Co-coordinator).

Welcome

Welcome to our eco newsletter. The children have been busy undertaking activities identified on our Eco Action Plan (which is also displayed on the Eco Notice Board) as we aim to maintain our Eco-Schools Green Flag award.

Clothes Collection –Bag2School

We would like to say a big thank you to everyone who brought in clothing and textiles for the bag2school project. We collected 32 bags in total which weighed 140kg (56lbs) and received £56.50 for our efforts.

Healthy Living – Rocket Garden

This term we planted the rocket garden plug plants in our allotment to encourage us to eat healthy. The children have been keen to help water and look after them each day. We look forward to harvesting the produce and use in our cooking.

Healthy Living – Healthy Eating Week

The children at Bayonne took part in healthy eating week. A group of children went to the market to buy some fresh fruit which was bought back to nursery to share with everyone.

Battersea Dogs and Cats Home collection

We would like to thank everyone who donated towels, duvet covers, bed sheets and pillow sheets to donate to Battersea dogs and Cats Home. Nikki our parent governor kindly dropped off the bags collected to the home and they were gratefully recieved.

Bayonne Recycling Centre

We are continuing to collect any brand of baby food pouches and Ella snack wrappers for recycling. Please continue to bring in washed baby food pouches and put them into the collection box at reception.

Litter Picking

The children have continued doing weekly litter picks. They have been helping to keep the garden and nursery clean and tidy using the litter pickers.
