Dear Parents/Guardians,

It has been brought to my attention that a number of P.E kits have gone missing, particularly in the Year 3 class. Thankfully, some of these have since reappeared. However, in a bid to avoid this happening, I have spoken to all the children in school to let them know that:

- They may not lend or borrow P.E kits. This includes friends, siblings and family members. School does have a limited supply of spare kit which we will lend to pupils without kits, but this also tends to disappear and cannot be guaranteed to be available.
- Year 3 will keep their PE kits in the classroom from now on, like all the other classes, rather than in the cloakroom. This should reduce the chance of things getting lost.
- All items of clothing, including P.E kits, should be named. It is virtually impossible to return lost items unless they are named.
- If children take another child's things home by accident, these should be returned to the owner, or to school, immediately.

Although we all know that, with children, it is extremely difficult to avoid them losing things, let's hope that these new measures will reduce the chance of items going missing in the future.

Best Wishes

R Laben
