

SUNDON PARK JUNIOR SCHOOL

School Improvement Priorities 2018 to 2019

Priority 1: To improve the effectiveness of leadership and management

- Objective 1.1 Senior leaders to be clear about priorities and timescales to bring about rapid improvement
- Objective 1.2 Ensure appraisal processes and targets for all staff groups bring about rapid improvement
- Objective 1.3 Senior and middle leaders to use the information they have about the performance of different groups of pupils, to drive up achievement
- Objective 1.4 Ensure middle leaders are more involved in checking the quality of teaching and pupils' learning in their areas of responsibility
- Objective 1.5 Ensure all teachers take responsibility for the quality of teaching and pupils' learning in their classrooms

Priority 2: To improve the quality of teaching learning and assessment

- Objective 2.1 To ensure the assessment policy is effective in bringing about rapid improvement in learning
- Objective 2.2 To ensure the most able pupils make rapid progress across the curriculum
- Objective 2.3 To ensure that all planning is effective in supporting pupils from different starting points to make progress, particularly the most able
- Objective 2.4 To ensure all LSAs are deployed and working effectively to support learning at all times

Priority 3: To improve the provision of personal development, behaviour and welfare

- Objective 3.1 To develop a positive behaviour management culture so effective behaviours for learning are valued and promoted consistently by all
- Objective 3.2 To actively promote good behaviours for learning through specific taught activities

Priority 4: To raise outcomes for pupils

- Objective 4.1 Improve the quality of teaching of reading across the school so outcomes are at least in line with national expectations
- Objective 4.2 Improve the quality of teaching of writing across the school so outcomes are at least in line with national expectations
- Objective 4.3 Improve the quality of teaching of maths across the school so outcomes are at least in line with national expectations
- Objective 4.4 Improve the quality of teaching of STEM subjects across the school so outcomes are at least in line with national expectations
