- Building budget annually is £8,700

How can you help the school regarding funding?

- You may wish to write to Will Quince saying that we are finding it difficult to fund the following:
 - Funding support in the classrooms for children in the afternoons
 - Providing 1:1 support for children with SEND
 - Unable to support school trips, if not enough parents make a contribution
 - Less resources for children to use in class (paints, pens, pencils)
 - Less money to spend on photocopiers
 - Less money to buy in visitors to the school
 - Broadband costs the school about £26 per pupil. We don't get extra funding for this basic 40mgb connections.
