

Dear Parents/Carers,

What's happening in the school

For those of you who want to keep up-to-date you can follow the school on Twitter. There are loads of wonderful photos

http://twitter.com/Blaise_Primary

Nursery and reception updates

Reception children had an amazing trip to Bristol

aquarium

this term.

They saw lots of

different types of fish and sea life and have done writing and art work as a result. They have also been cooking and have made tuna fishcakes, which smelt delicious!

Nursery have been really making the most of this lovely weather by getting outside. They have been taking their learning all over the school site and have also had some story time outside.

Key Stage 1 updates

Key Stage 1 went on a trip to the Wild Place this term. They saw lots of different types of animals and learned all about where they live, what they eat and how they are adapted to

their environment. All of this information will really help them with their science learning this term.

If you want to find out more about the Key Stage 1 trip, check out twitter to see some photographs.

Key Stage 2 updates

Year 6 have been consolidating their understanding of shapes including circles. They have been learning all about how to

work out the radius and diameter! They have also been busy

rehearsing for their school play. **Come along and watch at 9.30am on Friday 20th July.**

In English, Year 5 have been working on creating a balanced argument about children using screens and even invited Mrs Curme and Mrs Barlow in for a debate on the topic! They are hoping to send their finished reports to an MP.

In theme, year 5 have been learning about how bodies develop from birth to old age as well as keeping really active doing the Daily Mile, Wake and Shake, House Rounders competition and Sports Day.

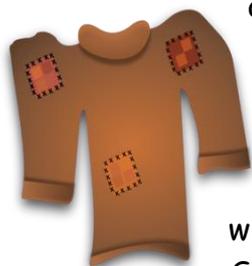

Year 4 have been reading the enchanting picture book "Tuesday" by David Weisner. In Maths, they have been learning about angles and how to use a protractor.

Year 3 have been looking at capacity in maths, bones in science and they made pizzas last week!

Got any old clothes?

Blaise are having a clothing drive to help raise funds for the school. If you have any unwanted clothing, paired shoes, handbags & belts please pop them in a bag and bring them to school

on **Thursday 19th July 2018**. For every kilogram of clothing we collect, the company will give Blaise Primary School 40p.

Sports day

A huge thanks to families, staff and children for coming together to ensure that Sports Day was a huge success. It was very hot but we did not let this get in the way of a fun day of activities.

Summer Fair

Once again, our wonderful PTA (Friends@Blaise) organised an amazing event. The Summer Fair took place on the school field and was well attended. It was great to see everyone enjoying themselves in the sunshine.

Year 6 Leavers Disco

The PTA also organised a successful year 6 leavers disco. There were amazing outfits, wonderful dancing and delicious food.

Absence

If for any reason your child is absent from school, please ensure that you call the office on 0117 3772424 before 9.30 am on the first day of absence. Please press 1 for the Absence Line and leave a brief message plus your child's name and class. Alternatively, you can send an email to: absenceline.blaise@bristol-schools.uk Children who have had an episode of diarrhoea and/or vomiting cannot return to school until 48 hours after the last bout to help prevent the illness spreading throughout the school.
