Agenda

Items from previous meeting

- Use of passwords to allow older students greater access to YouTube
Some students in Sixth Form have their own passwords and a group are successfully using them.
Adam requested that use of passwords and use of time for computers to be extended across the whole of sixth form.
- Video made to advertise e-safety
Show students video made and discuss how to make it better.
Discussed that voice overs were clear but voices when filming too quiet.
Refilm using voice overs as the microphone is better.

To be discussed at this meeting

- Getting ready for Safer Internet Day 2018 - Tuesday 6th February
Sharron has registered the school as a supporter of SID2018
theme 'Create, Connect and Share Respect: a better internet starts with you.'
ideas/resources to be sent to classes as they are published
