It has been another fabulous albeit busy week in school.

School Drop Off

Thank you for your co-operation this week whilst we have not had drop off due to staff shortage. The home time transition has run much more smoothly with less disruption to lesson time. We will resume drop off next week, but politely request that you only use the service if you absolutely need to. Last week, there were upwards of 40 children for drop off and we simply cannot staff this safely. Nursery and Reception children should be collected from their classroom at the end of the day or from the reception at lunchtime. We are working towards Healthy Schools status and as such would like to encourage as many people to walk to school as possible. If you are unable to walk the full distance, there are opportunities to 'park and stride' with parking available at the village hall and in front of the Church. Please make sure you park with consideration for our neighbours.

Polite Notice, please only use the disabled parking space in school if you have a blue badge.

Magna

Water Class had a fabulous day at Magna. They were a credit to our school and their parents. Ask them about their visit!

Faith Celebration

A huge thank you to all the staff and children in school who have worked hard to produce work all about Christianity to share with our cluster schools. The standard of work from all schools was brilliant. If you haven't already done so, the celebration of faith will be available to view in Snaith Priory until Tuesday. We will then display our work at Cowick Church. A special well done to the Year 5 children who presented the work to other schools on Wednesday.

Transition Days

Most of our Year 6 children have had their transition days to high school and they have really enjoyed the experience. Hopefully this has alleviated any worries they may have about moving on. The rest of school moved up to their new year groups and had a great afternoon on Monday. We welcomed some of our new nursery and reception children as well as 2 children in other year groups. We look forward to welcoming them to our Cowick family.

Wimbledon Day

Don't forget that we will be taking part in our very own Wimbledon on Tuesday. Please send in any donations of 50p on Monday morning.

Thank you!

A big thank you to Miss Lamb for making our planter outside the school office look very pretty with her home grown flowers!

Cans in the Park

On Thursday, some of the children will be going to West Park at Goole to lay cans (of food) as part of an incentive to make sure families, who are entitled to free school meals, are able to have access to food throughout the school holidays. If you are able to donate a canned item, please send them in to school by Wednesday 11th July. Thank you.

Kind regards,
Katherine Rawes,
Headteacher
