

Dear Parents / Carers,

6th July 2018

What a very hot week! Hopefully the sun will still shine but we may get some more clouds in the next couple of weeks. Please remember that the children still need hats and sun cream. **Just a reminder, children need to bring their own bottles in from home so that they can frequently have drinks. If they don't have one, there is a water fountain they can use at playtime and water is available at lunchtime.**

Well done year 6 – people have reported back to me that your behaviour has been exemplary on your trips (especially Legoland which I joined you for) and your visits to your new secondary schools, well done! Don't forget next Friday is your prom, which starts at 6pm and finishes at 8pm.

Next week is also extremely busy, starting with Picasso visiting the beach and the year 6's taking part in the Swim Safe Programme on Monday.

On Wednesday and Thursday we will be having our Sports days. Wednesday for Foundation Stage/Key Stage 1 and Thursday for Key Stage 2, start time is 9am. All visitors will need to bring their own chairs or blankets to sit on; all children are expected to sit with their classes. We should be finished by 10:30 at the latest. The Friends of Brading will be selling cold drinks for a small cost on the field; parents/carers only can purchase these and will need to take them to your child.

Thanks to everyone for their sweet tombola donations today. On Friday we will be having another mufti day for cakes; and our Summer Fayre is starting at 2pm. We are looking forward to another fantastic fayre!

Have a great weekend and remember my door is always open.

Mrs Gilbert

As we approach the end of our first year as an all through 2-11 years primary school, we are so pleased at how well everyone has handled the transition and children from the age of 2 are now fully integrated into the normal life of Brading Primary School. All the children from 2 years old and upwards enjoy coming to school and have become part of our team that trust each other.

If you, or your friends and family, have pre-school aged children that might be interested in joining us, we welcome visits to school for anyone who is considering starting their child from 2 years old and upwards. Please visit www.childcarechoices.gov.uk to check if you might be eligible for free sessions under the government early years funding schemes. Any new families wishing to access free early education starting from September will need to have made a funding application before the end of August, so if you would like assistance or to discuss the options please pop in to the office and see Mrs Stubbs before the school breaks up for the summer holidays.

If your child already attends Brading Early Years and you are thinking of changing their days or increasing their hours from September we would like to know before we break up for the holidays, so please either ask the early years team or the office staff for a session booking form, or come and talk to Mrs Stubbs so that we can accommodate the sessions that you require.

This is one aspect of support available to families of low income. Your child may be eligible for the Pupil Premium Grant. Please see Miss Hughes where she can provide you with a form to fill out. It means your child gets a super meal and the school gets more funding!

Message from Sandown Bay Academy:

We have a large collection of lost items left over from the Baylink Games. These items are being held at reception, which is contactable on 01983 402142. If these items are not collected by the 20th of July they will be donated to charity.

From September, we are reducing the amount of paper we are using within school and sending the newsletter home via email. If you currently receive a paper copy of the newsletter, and you are happy for us to email it to you, please fill out your email address below and hand back to the office. As an alternative, a copy of the newsletter is always uploaded to the website every Friday.
