There has been a homework bake off in Y5 this week with children applying their measuring skills to make magnificent cakes!

Mrs Blundell, Mrs Wood and Miss Goodfellow challenged the children to prove they could measure accurately by bringing in a perfectly risen dessert. It seems that they can measure in Y5 after all as the cakes brought in were

wonderful.

We will be having lots more opportunities to enjoy a variety of homework challenges next year when we introduce our **POWER!** Homework tasks. These will link to our cross curricular learning themes.

Let's hope they're all as tasty as this one was!

Tickets Plea

For those parents who have children involved in the Shakespeare performances in Stratford, **if you have any spare tickets could you please let the office know.** We do have a waiting list of parents desperate to attend who are sadly without tickets. Many thanks.

Tag Rugby

There was a great performance by our Tag Rugby team on Tuesday to qualify for the North Solihull gold group as the highest try scorers.

Then they finished tournament runners up by just two points was brilliant if a bit frustrating. We went into our last game knowing a win

by three clear tries would have meant we won the tournament. I think the pressure got to the team as we conceded possession in The attacking third of the field too often.

We only managed a 1-1 draw, so it meant it was second place. The standard of the 14 other schools was a joy to see and this was probably the best tag rugby tourna-

ment our school has been involved in.

We have never qualified for the gold group before so we are taking that as a victory.

So well done to: Spike, Callum S, Alfie C, Boe, Lola, Isobel R, Charlie, Jack, Ellis, Andrew and Joe E.

Joe was awarded player of the tournament, which was well deserved.

Celebration of Cricket—Y4

On Wednesday, Year 4 took part in a Cricket Festival here in school. It concluded a series of cricket coaching sessions they have taken part in earlier in the term.

It was a great success and all the pupils enjoyed taking part, allowing them to apply skills they had learnt previously. We would like to especially thank

Mrs Ferguson and Matthew Brotheridge for helping to organise and run the festival and our own Year 6 leaders who helped to set-up and score on the day.'
