Tuesday 31st October 2017

Dear Parents/Carers,

Thanks to you generously adding money to the harvest tins or donating money to our **Clara-Belle cow collection** we managed to raise £111 for the send a cow charity. As the UK government is currently doubling all donations sent this means that the money raised will be worth £222.

This means that Send a Cow will be able to buy a local cow with your donations and there should also be enough money for them to provide a chicken for a family.

The cow's first female cow is passed on to another needy family so this is a gift that will continue to give.

The chicken could provide up to 200 eggs a year and provide an excellent source of protein and income.

The tinned and fresh food went to help people through a local charity. This included a pumpkin, a squash, rhubarb and tomatoes picked from our own school garden.

So a big thank you!

The Eco Team
