

## Meeting action points

**Date** 
**Start time** 
**Finish time**

**Location**

Ref no.	Notes and Actions	Owner	Due date
	<p><b>YR: Edith</b> <b>Y1: Harrison &amp; Max</b></p> <p>Y2 children were practising for their leavers' concert so did not join us this week.</p>		
1.	<p><b>Matters arising:</b></p> <ul style="list-style-type: none"> <li>Tickets for the FHT awards ceremony have arrived in school and are being sent out tonight along with a letter explaining the practical arrangements for the night.</li> </ul>		
2.	<p><b>Transition</b></p> <p>We had a discussion about what transition is, what we do in school and why. They understood that it was about change and that as they get older there are different expectations. The children then gave feedback on how they felt it had gone.</p> <p>They all agreed it was really good to have met their new teachers and the children they are going to be with next year. All had enjoyed their time in new classes and said it had helped them to feel positive about the upcoming changes. It was good to know which of their friends would be with them and which children wouldn't.</p> <p>Those new to KS1 also talked about getting to be in the big playground and on the trim trail. They had enjoyed this.</p> <p>Those already in KS1 talked about some of the things they do now that they didn't do in reception and talked about how they found it. Things like Best Write were talked about. They explained what it was and how much they enjoyed it. They may have found it hard to start with but they had soon got the hang of it and really enjoyed it. They felt quite proud of their achievements and could see the improvements they had made from the start of the year.</p> <p><b>AOB</b></p> <p>Next meeting will focus on choosing the winner of the loo roll competition and seeing how much we have raised so far towards the toilets.</p>		

Date of last meeting: **Monday 16<sup>th</sup> July 2018 at 2.45pm in SLT Office**
