

Crick Primary School Newsletter

10th July

Wow, it's been hot in school! The children have coped incredibly well with the heat over the last few weeks and although it's been lovely, I hope that it stays cooler for our forthcoming Sports Day. We hope that you will come and join us to cheer on your child's house. Cold drinks and ice creams are also available.

Dates for
the Diary:

Dates for the Diary

Wednesday 11th July- Year 3 Strings Assembly (parents welcome) 9:30am

Wednesday 11th July- Sports Day 1:30pm

Thursday 12th July- Venus Class Assembly 3pm

Saturday 14th July- Wriggle Dance Theatre Production

Saturday 14th July- EYFS & KS1 choir to perform at Scarecrow Festival

Thursday 19th July- Year 6 Leavers Assembly @ 2pm

School CD

Thank you to everyone who has recently bought our CD. We hope that you have enjoyed listening to it and are now experts at your multiplications! We have a few left if you would like to buy one. Please see Mrs Chamberlain in the office.

Music Assembly

Well done to all of the children who performed for the rest of the school in assembly a few weeks ago. We really enjoyed listening to you and the pieces of music that you have been working on in your lessons.

Year 3 strings

Our year 3 children have been learning how to play some of the stringed instruments and as part of this have been having a weekly session with some Musicians from NMPAT. They will be performing on Wednesday at 9:30am, if your child is part of this then please come along to watch. Unfortunately we are unable to open it to all due to space!

Atomic Science

We had a visit from Atomic Chris last week and he shared some science experiments with us. If you would like your child to attend the Science club starting in September then please return the flyer that came home.

Transition Days

Last week all of the children spent the day in their new class to get to know their new teachers. Most of our Year 6 children also spent the day at their new Secondary School with just a couple of transition days happening this week.

Change for life

Last week we took a group of children to the Northamptonshire Sports Festival to take part in a Change for Life day. In spite of the very hot temperatures they had a fantastic day, joining in all of the activities and winning the trophy for Teamwork & Honesty. Well done to all of them.

Library summer reading

On Friday we have a visit from the library for our annual launch for the Summer Reading Challenge. Look out for information about how to take part.

Year 5 & 6 performance

A huge well done to all of our year 5 & 6 children who put on a brilliant performance of Treasure Island. The confidence that the children have never fails to amaze me. A thank you must also go to all of the staff involved in making props and ensuring that the children were all in the right places at the right time.

Wriggle Dance

Some of our year 3 & 4 children have been working hard on a dance to perform in Yelvertoft on Saturday. This opportunity has been given to them through the Wind Farm. We wish them luck for their performance.

Sals Shoes/Sports Day

This year FOCS have registered Crick Primary School with the Sals Shoes initiative:

<http://www.salsshoes.com/>

This is a charity that sends preloved shoes to countries around the world wherever there are barefoot children.

On the last day of term (Friday 20th July) we will be holding a 'Wear your own Shoes to School' Day. Children bring a pair of unwanted shoes to school (usually their old school shoes) paying £1 for the privilege of having non uniform feet! (This money covers the charities' international postage.)

To cover shoe postage to the charity in this country FOCS will be selling soft drinks at Sports Day on Wednesday 11th July from 1.15pm. So in addition to your sun cream/hat please bring drinks money!

Choir

Some of our Reception & Key Stage 1 children have been working hard this term with Kate from Warts and all Theatre to learn some songs to perform at the Scarecrow festival. We wish them luck for their performance on Saturday.

Sports Day

All of the children have undertaken some field based events in the run up to our sports day on Wednesday. They will all take part in some races tomorrow to win points for their house. Please come and join us on the field from

1:15pm. Could we ask that you send in a hat & water bottle as normal? Thank you.

Hot lunches

If you have booked a hot meal for your child and your child is away from school then could we ask that you please cancel it, even if your child receives a Universal Infant School meal (Reception, Y1 & Y2). If the meal is not cancelled and is not eaten by the child then we get charged for it- thank you.

Reports

We hope that your child's end of year report made it home! Could you please send the slip back to let us know that you have received it? Thank you.

FOCS BBQ

Thank you to everyone who attended the end of year BBQ held by FOCS on Friday. I understand that a great night was had by all! Thank you to all of the members of FOCS who worked hard behind the scenes to ensure that the night ran smoothly. We are in the final stages of organising to have some gym equipment fixed in to the playground, and would not be able to add these extras to our school without the money raised by FOCS, so on behalf of everyone at school, thank you.

Birthday Bell ringers

William O, Emily, Oliver, Lexie, Maddie,
Maisy.

Happy Birthday to you all!
