Animal visitors!

Over the past couple of weeks, we have had lots of interesting visitors to school, to help support our Amazing Animals topic. Firstly, there are two lovely rabbits called Chilli and Pepper currently living outside the Wagtails mobile. They have been kindly loaned from Mini Meadows by Mr Barraclough, and the children are really enjoying getting to know them and taking responsibility for looking after them.

Also, on Friday afternoon, Zoolab paid us a visit with some very interesting creatures, which we had the opportunity to handle (or just look at if we weren't so keen) and ask lots of questions about: Colin the corn snake, Jarvis the cockroach, Brian the African land snail and Honey the gecko were very well-behaved guests and Chris, who came with them, shared his wealth of knowledge about all sorts of animals.

Some of the pupils from Robins and Wagtails meeting Colin and Honey on Friday afternoon.

Kestrels need (clean, washed) plastic packaging for a recycled plastic art project during the week beginning 9th June, so please can you start collecting. Thank you.

Transition Day

On Monday, year 6 will be spending the day at Guilsborough Academy. Pupils should wear their own clothes, including suitable shoes for PE, and catch the bus with a friend or older sibling. They can take a packed lunch or take money for the canteen - £2.50 approx.

All other children will move up to their new classes for the afternoon on Monday.

Reading idea of the week:

Reading doesn't always have to be paper...can you read an e-book, listen to an audio book or read a website about something interesting?

Don't forget to check our website regularly at www.wsses.com. New content is added regularly, and you can find diary dates, information about uniform, snack, the Cool Milk scheme, school dinners and pupil premium, as well as resources, news and photos on the class pages.
