

Sport at Landywood

During the autumn term the children have taken part in P.E lessons learning and developing skills/ game understanding. After school sport clubs have again been busy with over 100 places each week. This is a fantastic achievement and one as a school we are very proud off and would like this continue into the summer term. Children have also represented school in local sport competitions including Hockey and Football. All the children represented the school fantastically, here is a quote from the P.E Teacher who hosted the Hockey tournament. Please congratulate your pupils, they competed really well, showed a good team spirit and represented your school in a positive manner.

Here is a picture from the Hockey tournament >

Sports results

The school football team went to Walsall F.C to compete in football festival, the boys played some fantastic football that saw them win the festival. Children from year 4 and 5 went to Great Wryley to take part in a Hockey tournament with year 4 finishing 2nd and our year 5 team winning their tournament. Walsall F.C then invited our year 3 and 4 children to take part in a Football festival hosted at the Banks stadium with the boys showing a fantastic effort in finishing ???.

Children in 5 Chestnut have taken part in a Tag Rugby house competition during their P.E lessons. The children have been learning the skills and game understanding and then got to compete against each other.
