

Acceptable Behaviour Towards our Employees

Derbyshire County Council aims to provide quality services to the people of Derbyshire.

We are committed to treating you with respect and courtesy when using our services.

Please treat our employees with the same respect and courtesy as you would expect from us.

Our employees have the right to work in a safe environment and will not tolerate behaviour which is abusive, offensive or threatening.

In such instances we will take firm and effective measures to support any employee who is subject to unacceptable behaviour including prosecution, should that be appropriate.
