

Early Support Parent /Carer Workshops

The Early Support parent/carer workshops will provide an opportunity for you to explore how to support your child/young person, with Special Educational Needs and or Disability (SEND) and yourself, learning alongside other parents and in partnership with Early Support Trainers including:

Understanding this unknown world.

Navigating your way through the system
Awareness of resources and the Early Support approach
Making sense of the jargon
The Local Offer- What it is and how it may help

The Child Beyond the Disability

Awareness of support available and recognising how the experience of other parents may support you.
Consider partnership relationships with practitioners and improve confidence when contributing to multi agency meetings/ Team around the Child (TAC)/ young person (TAYP).

Achieving the Best Outcomes, for our families.

An introduction to tools and ways to help you when making decisions, identifying priorities and planning outcomes such as One page Profile, My Support Plan
Increasing confidence and resilience

Growing up, moving on and next steps.

Changing lives. Ordinary lives.....what does this mean?
Co production and participation - engaging with local service development
