

Achievement of Hateley Heath Primary School 2017 - 2018

Good Level of Development (End of Reception)

Group	2015 Results (Hateley Heath Primary)	2016 Results (Hateley Heath Primary)	2017 Results (Hateley Heath Primary School)	2018 Results (Hateley Heath Primary School)	2018 Results (National)	Comparison
All	41%	59%	64%	69%	TBC	TBC
Disadvantaged GLD %	-	50%	61%	60%	TBC	TBC

Despite the percentage of children achieving a good level of development not yet being in line with national statistics, our results over the past 3 years alone has shown an increase of almost 30% in the percentage of children leaving our Early Years working at age related expectation. We have identified Writing as an area of learning that is repeatedly a weakness in our setting and are developing new strategies to tackle this in order to continue raising standards at the current rate of growth.
