## What's been happening this week?!

*Dear Parents and Carers,*

This week has just been simply AMAZING! Enterprise Week kicked off with an assembly to explore more about different entrepreneurs around the world, and how they had created businesses to make lots of money!

Each class has been given £30.00 to invest into their business - how they chose to invest, and what they decided as their chosen business was entirely up to them. Each class has been busy creating plans, jingles, slogans, advertising campaigns, marketing and exploring costings. There has been a tremendous buzz around the whole of the school, with the children intent on making the most money for their class.

It was fantastic to see such focus and determination from children and staff alike as they set their goal on making the most profit and aiming to win the accolade of Enterprise Class of the Year! We are really looking forward to seeing how much money each of the class businesses have made, and how the children choose to spend their hard-earned profits before the school year is out!

We thank you so very much for giving your time to support with such events where we invite you into school, as we recognise that it is such a busy time, but know that this is one of those occasions, like WhitFest next week, that will create some very magical memories that will last a lifetime.

This week everyone has been doing enterprise week! All the classes did a good job making things to sell. The marketplace was very busy!

## STAFF MERITS

Mrs Westley

For all her hard work and dedication to both the children and staff. I don't think our Blue team could function without the wonderful Mrs Westley!

Mrs Smith

For always being willing to help and always having a smile on her face. She is great with the children and nothing is too small.

# News from around the School

**Years 1/2** 1P and 1/2M have LOVED taking part in Enterprise Week this week! We have had so much fun developing, advertising and creating our products and business plan. Miss Morgan and

Miss Powell have been so impressed with all the children's fantastic ideas (we definitely have some young entrepreneurs in the making!)

Thank you to everyone who came to buy from our stall and our café at the market place event on Thursday! ☺

**Reminders:**

- All school reading books will be collected on **Monday 16th July**.
- The KS1 PTFA School Disco will be held during the afternoon **Tuesday 17th July**
- **Wednesday 18th July at 9.00am** - 1/2M's Family Assembly.

## Years 5/6

Years 5 and 6 had a fabulous day in the sunshine in Stratford last week enjoying some leisure time! We found ourselves a comfy spot in the shade and enjoyed playing giant football, rounders, frisbee and even some quiet card games. Then we went for a stroll down the river bank and boarded 'Jennifer May' for a lovely river cruise. After that we enjoyed sharing a picnic together and having an ice cream to cool down. Latifa told us 'This is just like a great family day out' and we couldn't agree more. Several members of the public commented on how well behaved our children were and we are so proud of them.

**Good to be Gold winners:** Well done to this week's Good to be Gold raffle ticket winners!

**Abdallah 3C Aaron 3/4C Tayla 3/4C Logan 6LM Regan 6LM Jignesh 6LM**

**They will join next week's winners for some time outdoors having fun!**

## EYFS

This week Early Years have been working hard decorating their 'market place' stall. We have enjoyed getting covered in glitter and sequins! Nursery and Reception both enjoyed a morning of forest school activities led by our Forest school leader. The children really loved being outside in the mud and learning about different types of trees and plants. Reception children are continuing to work hard on practising songs and speeches for the Reception Graduation and we look forward to seeing as many family members there as possible. All the kind party food and decoration donations are really appreciated.

Thank you!

## Years 3/4

What a fantastic week we have had in Phase 3/4 this week. The children have worked extremely hard during Enterprise Week to create their business! They were challenged to write and record their own radio jingle and television advert. We have had so much fun and have been so impressed with how hard the children have worked. If you made it to our market place, I hope you were just as impressed as we were!

*Enjoy your weekend, the Phase 3/4 Team*
