MESSAGE FROM MR DEWES

Many thanks to all of those who came to watch our sports day yesterday, it was great to have so many spectators there to make it a memorable occasion for the children. Anyone who has visited the corridor to the left of the main entrance to school will have seen the exceptional collection of trophies that children from this school have won in competition and there were some great examples of athletic excellence during yesterday's event. Perhaps more impressively were the way all children had the chance to compete and be part of a team and also the way children conducted themselves. It is important that children know how to cope with the disappointment of losing as well as win graciously and our sports day showed how well our children do both. Thank you to all the staff who helped run the event, particularly Mrs. Tildesley.

ASSEMBLIES

On Wednesday, a lady from Warwickshire Libraries came in to speak to the children in assembly about the Summer Reading Challenge 'Mischievous Makers'. The challenge this year is celebrating the 80th anniversary of the much-loved comic, Beano. Your child can help Dennis, Gnasher and friends explore Beantown to find the mysterious buried treasure – with tons of fun along the way! It's totally free and to get started all your child has to do is sign up at the library where they will be given a collector poster to keep a record of their Summer Reading Challenge journey. As they read their books, each child will receive special stickers to complete their poster. Children are encouraged to read at least six library books. They can be any books they like. The challenge is a great time to share and talk about books as a family. Please visit mischievous-makers.org for more information.
