Sundon Park Junior School

Weekly Newsletter

News

The penultimate week of term has shown no signs of slowing down, with three days of activity laden camps, a World Cup assembly, book fair and lots of rehearsing for the leavers' performance.

Don't forget the book fair will be on again next week on Monday, during the garden party and after school. Our garden party event is now fully booked; thank you for all the interest! If you are joining us, then please support our cause by donating cakes; the bigger and more indulgent the better!

We hope all the children that took part in the outdoor activities over the last two weeks had a fantastic time, learnt some new skills and made many lasting memories.

Outdoor Adventures (Part 2)

We continued our outdoor camping activities on Monday with a Year 5 science themed day camp, where they performed experiments, tested whacky science theories and enjoyed the sunshine all day on the school field.

Then on Thursday and Friday, Year 6 enjoyed an overnight survival camp, where they learned everything they would need to be able to survive in the wilderness. A huge thank you to all the staff who spent a sleep deprived night looking after children and providing them with a very valuable experience.

Food Bank\World Cup

On Tuesday, we had a visit from a representative of Luton Food Bank. He came in to talk to children about the importance of remembering that even when things as exciting as the World Cup are taking place, people less fortunate than ourselves are still going hungry. He also explained the need for self-motivation and ambition, and brought with him a World Cup Trophy (whether it was real or not is a matter of debate amongst children). Each year group got a chance to take a picture with the cup. So at least someone in England got to lift the trophy this year!

Weekly Awards

Star Readers (13/07/2018)

Chosen by class teachers for great improvement and ongoing commitment in class.

Year 3

Kieran
Jack P
Emma

Year 4

Millie S
Lilly W

Year 5

Sugewin
Dinnae
Lucas

Year 6

n/a due
to activities

Class Leaders (13/07/2018)

This title is awarded to pupils who act as an example to the rest of their class.

Year 3

Benita
Alexandria
Chloe J

Year 4

Asude
Chloe W

Year 5

Riehana
Ryker
Jocelyn

Year 6

n/a due to
activities

Cheese & Tomato Pizza V
Veggie Hot Dog V
Raspberry Cheesecake

There may be some changes to the menu at late notice due to the need to use up stock before the year end.

Next Week in English

Year 3

Next week in English, we will be inventing our own stories using all we have learnt about creating suspense.

Year 4

In English next week, Year 4 are going to be looking at poetry focusing on figurative language such as similes and metaphors. Pupils will explore and write their own Haikus.

Year 5

Year 5 will be continuing to write their own instructional text based on 'How to Kill a Dragon'.

Year 6

This week, Year 6 will be learning and performing their play for the end of the year. The classes will have to speak with volume, expression and read a playscript.

Next Week in Maths

Year 3

Next week, we will be measuring and comparing lengths, mass, volume and capacity.

Year 4

Year 4 will be learning to find the area of rectilinear shapes. They will relate finding area of rectilinear shapes to arrays up to 12×12 and will learn to problem solve with area.

Year 5

Year 5 will be looking at time, both digital and analogue, and answering timetable questions.

Year 6

This week, Year 6 will be learning and performing their play for the end of the year.
