

Children's Newsletter

Welcome

Hello and welcome back to the children's newsletter, term 6.

Sadly, this is the last newsletter of the year and the last term for the year 6's at this school. The good news is that...MRS HEYES IS BACK!

Sports Day

Throughout the whole school, Sports Day has been taking place over two weeks. The juniors' Sports Day was on the 21st June, the infants' took place on the 27th June and the Receptions' Sports Day was on the 26th June. The juniors' Sports Day was held at Medway Park while the Infants' and Receptions' Sports Day were held in the Junior playground. Some of the events

After an extremely long time she decided to come back for us as the baby (Violet) is ok.

Mrs Heyes is now teaching across the school.

Next year the year 5's (soon to be year sixes) are going on a trip. Their trip is in Wales, Snow-

included were: welly throw, penalty shootout, egg and spoon race, hockey dribble, long jump and running races.

As you may already know, for every Sports Day, children are sorted to one of four teams. Either: yellow, blue, green or red. In each activity, the teams all earn a different number of points to add to the total scores of every-

donia.

"Don't be scared to try new things" Zara quoted (year 6 that went on the trip last year).

Whilst the year 6s are upset about leaving the school, the year 1s are still happy about the Howletts trip to the zoo.

one in that team throughout the whole school. At the end of all of the activities, there is a winning team.

The winning team this year was: yellow team

Congratulations to everyone at yellow team. Also a big congratulations to everyone for trying their hardest at each and every activity.

Term 6 2018

Strange but true...

Some butterflies have eyes in their wings.

Miss Nuttall has emptied a fruit machine in Las Vegas and bought doughnuts with the prize money

In Victorian times the children watched puppet shows called Punch and Judy.

Mini Youth Games

In June, lucky Sporting Club Byron members were chosen to take part in two mini youth games They were: Kwik Cricket and the World Cup.

Our school was representing Spain in the world cup tournament.

Sadly the team did not make it to the finals. The results for the top four teams were announced whereas the rest

Goodbye Year 6

We would like to say farewell to the year 6 pupils who are about to embark on their next phase of education.

Good luck and all the best.

Musical Days Out

During the week starting the 16th June, there were multiple musical celebrations going on at the Brook Theatre.

On 17th June Strings Celebration, 19th June the Wind festival and 20th June was the Ukulele festival.

Parents were invited to come and watch their children perform after a hard days' practicing. Each school that attended played a solo piece.

On the strings celebration day, Byron's solo was 'Pizz Polka'. At the wind festival they

played 'The Funeral March' and at the Ukulele festival played 'The Scientist'.

Everyone that went to any of these festivals would like to say thank you to the adults that came along for withstanding listening to their music all day and

KS1 Trip - Howletts Wild Animal Park

On Wednesday 6th June, KS1 went on an adventure to Howletts Wild Animal Park, to learn about animals and their natural habitats.

According to Tom (2S), "At

Howletts, my favorite part was the tigers. I really enjoyed this trip. I would like to come back very soon."

All of the children had a fantastic time learning about the different animals.

Natalie (1/2S) said, "I liked the animals and I enjoyed eating my delicious lunch! My favorite animal was the ant-eater."

The Year 6 Production and Post-SATs Activities

This term Year 6 have been practicing and performing their end-of-year play.

The play is about a young girl called Olivia who escaped her horrible orphanage.

The Year 6 play is funny, theatrical and entertaining. The children and teachers have worked incredibly hard to

provide a enjoyable experience for all.

We interviewed children with leading roles to find more about acting in front of a crowd.

Lucy (6C) said: " My character's name is Olivia! You might enjoy it you never know!"

Leon (5/6A) explained: "There was me Fagin. Watch your pockets... Please come to the play as I think you will extremely like it."

This play a great chance for children to show off their singing, dancing and acting skills.

The day after the performance to the parents, the Year 6 pupils will be

All in Award / School Council

As you may know, Miss Nuttall, Miss Knight and Miss Keen have been running a club after school on Thursdays called All In Award. The club is all about including everyone. It is funded by the charity MENCAP.

At the end of June, the chil-

dren in All In were lucky enough to get a trip to Go Ape, a aerial activity course. They went to the course, close to Leeds Castle and really enjoyed it. They would like to thank all of the teachers that arranged this special treat for the All In members.

On Monday 9th July the Junior school councillors went to the Vanquis Bank Head Office in London. They walked to the underground station and went on a high speed train there. They had lunch at the bank and also went up to the Sky Garden.

They really enjoyed seeing everything that goes on at Vanquis.

Rights Respecting School

This term we have been looking at article number 14 which is that you have the right to choose your own religion as well as your own beliefs.

On 20th June, there was an assembly which was created by some fellow members of the RRS steering committee.

This assembly contained such things as roleplaying and "Who Wants To Be A Millionaire?".

As you may have seen , there have been some members that are moving different information posters into clas-

ses.

On Friday 25th July we

raised £221.61 in our bake sale which we are giving to charity.

Mindfulness

Riddles:

- Imagine you are in a boat. Suddenly, sharks swim around you as your boat sinks. How do you escape?
- You are third in a race. You somehow managed to get past second place. Where are you now?
- Name 100 words that don't use the letter 'a' in 100 seconds. Can you do it?
- You get woken up at 7 in the morning by a knock on your front door. You remember that your parents said to you that they are coming around for breakfast. They call you telling you that they are going to make food. You look in the cupboards and find the following: Jam, Butter, Bread, Milk and coffee beans. What should you open first?
