Dear Parents/Carers

We will be running a Year 5 homework club on a Tuesday from 3.30 to 4.30 pm. The children will be given the opportunity to complete any Education City activities, work towards any targets they have or complete activities towards our new homework project “ The Island.” It will also give them the opportunity to ask for any individual help on areas they are finding tricky at the moment. The children may bring a snack with them for after school. Many of you have mentioned that your child finds it difficult to settle to homework tasks and therefore we hope that this will allow them to complete the bulk of their work at school.

If you have any questions about the session, please feel free to come in and ask us.

Yours sincerely
