Wednesday 4th January

Dear Parents / Carers

The following term is very important for Year 6 as they prepare for their SATS and the challenges of secondary school. In order to aid your child in achieving the best that they can we are offering two extra sessions for them to attend.

Monday 3:30 - 4:30 Y6 Homework Club (starting – Monday 9th January)

This is an opportunity for the children to complete any homework and/or receive help in completing their homework. This is also a great opportunity for those who want/need more time to write or practise a particular area of maths. The computer suite will be available for any children that need to complete Education City.

Thursday 8:30 – 9:00 Y6 Grammar Club (starting – Thursday 12th January)

This session is designed for those that need/want a little extra help in their grammar and spelling. There will be games and activities for the children to do. It would be very helpful if your child would bring their CPG grammar book.

It would be great to see as many Year 6's there as possible! Please encourage your child to attend these sessions – they will definitely help them with their studies (We realise that the Monday session clashes with dance for some of the children.

Please return the slip below as soon as possible (by Friday 6th January would be very helpful.) Please indicate how your child will get home at the end of the Monday session.
