HEALTHY EATING

The clubs recognise the importance of healthy eating and a balanced and nutritious diet. We follow the healthy eating for schools recommendation. We will endeavour to make a variety of foods available allowing the children to experience foods from different cultures. All children will be offered plenty of fruit and low fat and low sugar options.

On 13th December 2017, new legislation came into force which affects the catering that Food with Thought (FWT) provides in school at lunch time and what we serve at Breakfast and After School Club. Further information can be found on the following link:

http://www.schoolfoodplan.com/wp-content/uploads/2014/09/School_Food_Standards_140911-V2c-tea-towel.pdf

The legislation now covers food served from 8am until 6pm, so includes what we serve at Breakfast and After School Club. The club and its staff are committed to embracing the cultural and religious diversity of the families who use our services. We will work with parents/carers to ensure that any particular dietary requirements are met. We are also keen to help introduce children to different religious and cultural festivals and events through types of food and drink.

BREAKFAST MENUS

The breakfast menu will be monitored regularly to ensure that the options available are always in line with the school's healthy eating policy. Where possible, fresh fruit provided will be fruit in season. Choice from 2 cereals daily. Toasted bread with a choice of low sugar marmalade or jam, marmite or just low fat spread. Drinks will be fruit juices, milk or water. "Specials" such as pancakes, hot cross buns, crumpets, porridge will also be offered occasionally.

ADMISSIONS and FEES

The Ladygrove Breakfast Club and After School Club is committed to providing a fair and open system that offers a competitively priced and good value service. As a provider of registered childcare, we both encourage and actively support eligible parents/carers claiming and taking up the childcare element of the Working Tax Credit.

ADMISSIONS

When a parent/carer contacts the Club enquiring about a place for their child, they will be given all relevant information, including details of the Admissions and Fees policy. They will also be informed of whether a suitable place will be available for their child. If a suitable place is available the parent/carer and, where possible, the child will be invited to visit the Club and speak to all members of staff. If the parent/carer agrees to abide by all the terms and conditions of admissions, including the level of fees and arrangements for payments, (as contained in Parent Pack) they will be asked to complete and sign the Registration Form to confirm the child's place. Parents/carers will also be encouraged to complete and sign the Emergency Medical Treatment Form. Once the admission is secure, the parent/carer will be contacted to arrange a date for the child's first session at the Club.

CRITERIA FOR ADMISSION

When a parent/carer makes an enquiry about a place for their child the following criteria must be followed. Any special or extenuating circumstances will be considered and resolved by the School Senior Leader: Elaine Li-Koo.

1. A Registration Form must be completed before a child attends the Club.
2. Regular bookings may be made for up to half a term (assuming 6 half terms). Payment to be made using Parent Pay. We cannot provide casual irregular bookings, due to staffing capacity although ad hoc sessions may be available if spaces allow.
3. If sessions are cancelled we cannot give refunds.
4. Places are available on a "first come first served" basis, subject to the following priorities:
 - a. Children already using the Club: regular bookings have priority over ad hoc bookings.
 - b. Siblings of children using the club.
 - c. Special requests made by the Head teacher.
5. When the club is full, applicant's names will be placed on a waiting list until a place is available. A child's name may be placed on the waiting list up to one term before they start school.
6. A child's registration for the club may be withdrawn and the child dismissed if we issue more than one written or verbal warning for any of the following:
 - Non payment of fees.
 - Behaviour problems which we have not been able to resolve (see Behaviour Policy)
7. Appeals under this policy should be addressed School Senior Leader for BC and ASC

Waiting List

To ensure that admissions to the club are offered on a fair and transparent basis.

The following procedure will apply:

- Parent/Carers will be required to submit their request for a place by emailing extendedschools@lpps.org.uk, the details of this request will be placed on the waiting list, in the order they are submitted.
- The waiting list will be kept and used on a "first come first served" basis. The Club will advise the parent/carer of how long they are likely to wait before a suitable place becomes available. This information will be an estimate and will not constitute a binding agreement from the Club.
- When a vacancy at the Club becomes available, the parent/Carer whose child is suitable for the place and is highest up on the waiting list will be informed.
- If the parent/carer still wishes to take up a place for their child, they will be asked to complete the Admissions Form and follow the admissions procedure set out above.
- If the parent/carer concerned no longer wishes to take up a place, the parent/carer of the next suitable child on the list will be contacted.

FEES

The club understands that the cost of registered childcare may seem expensive to a parent/carer. However, providing a high quality, safe and stimulating service for children is not cheap and to ensure the continued high standards and sustainability of the Club, it must ask that parents/carers respect its policy with regard to paying fees.

- The level of fees will be set by the School Committee and reviewed by the resources of the School Governing Body. They will be reviewed annually and/or in line with the Business plan financial projections.
- Payment of fees should be made weekly or termly, on the first day of the week/term. Occasional users must book at least one day in advance and payment to be made on the day through Parent Pay.
- If the parent/carer chooses not to take up a place that has already been booked, the club reserve the right to charge a non-attendance fee. In the event of school closure, sessions cannot be credited back.
- If the fees are not paid on time, the club will notify the parent/carer verbally and if necessary in writing and request payment at the earliest possible opportunity.
- The Club has the right to issue a formal warning to the parent/carer and inform them that the continued late payment will result in their child's place being forfeited.
- If the fees are paid persistently late or not at all with no explanation, the Club will be forced to terminate that child's place. Under exceptional circumstances it may be agreed to allow the child to continue until the end of the week.
- Parents/carers are encouraged to speak to a member of the management team if they have any query about the fees policy, or if, for any reason, they are likely to have difficulty in making a payment on time. Parents/carers are strongly advised to arrange a meeting at the earliest possible opportunity, to avoid losing their child's place.

COMPLAINTS

We hope your child will have an enjoyable time in the Breakfast Club/ After School Club. If there is a problem please speak to a member of staff at the earliest opportunity so that they can sort things out. Policies

BEHAVIOUR POLICY

Rationale

Our Vision states that Ladygrove Park Primary School will promote and maintain high standards of behaviour. We believe that children and adults at the school have the right to feel safe and to be treated with mutual respect. We work to establish a social and learning environment which secures these rights. Good behaviour is essential for effective learning, good relationships and an orderly school community.

Children behave well when:

- They feel good about themselves
- They are happy
- They understand the needs of others
- They respect people and places
- They are honest about their behaviour

Responsibilities

The primary goal of the adults is to establish and maintain an environment in which children are healthy, safe, happy, well-behaved and work hard to achieve their best.

Children have a responsibility for their own behaviour. They must respect the rights and feelings of others.

The Managers will inform parents directly in person, on pick up, of any behaviour incident, of significance, involving their child.

If there are behavioural incidents deemed serious enough (either in nature or in frequency), that impact the well-being and safety of the other children in attendance, then the Club reserves the right to issue a formal warning by letter to the parent/carer and inform them that continued behaviours will result in their child's place being forfeited.

If the inappropriate behaviours continue, then the Club will be forced to terminate the individual child's place. Under exceptional circumstances, it may be agreed to allow the child to continue until the end of the week.

Parents/carers are encouraged to speak to a member of the management team, to try to work together to resolve such issues.

Guidelines

All adults in school are required to follow these guidelines and to be good role models for the children.

The emphasis is on expecting, noticing, and praising positive behaviour.
