

Newsletter

Dear Staff, Governors Parents and Carers,

As I write my final newsletter, I cannot help but reflect upon the many children and families that have passed through the gates of Rettendon School and the many members of staff and Governors who have all made such a marvellous contribution to the achievements of the school in so many ways. I would like to offer my gratitude for all your hard work and support without which 'the job' could not have been done.

This year's SATs results are fantastic and I wish to congratulate the children for doing so well. I would like to also offer thanks to the entire staff team for the part they have played in coaching and developing the children throughout their entire learning journey.

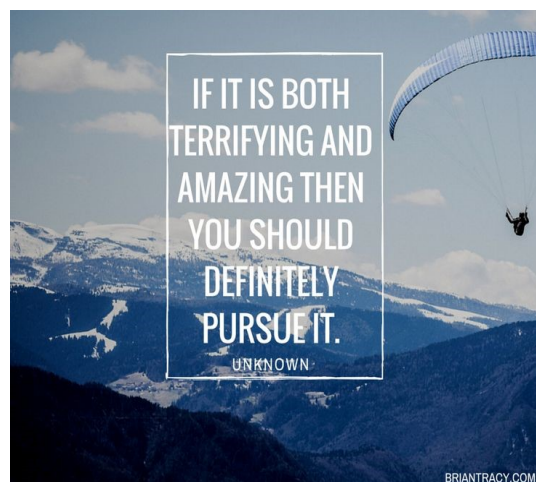

I would like to thank you all for your messages and good wishes and for coming to my Garden Party. I am going to miss the community of Rettendon very much indeed. It may be a small village but it has a big heart and a huge personality.

I shall enjoy watching the journey of the school as it thrives under new leadership. The school holds a great position in the local area at the moment and is all set to go on to even greater things.

I wish you all the very best and hope you all have a marvellous summer break.

Yours,

Mrs Barber

Thank you to everyone who supported the Village Show on Saturday. As ever, the FRS did a great job and gave us a wonderful day of entertainment and fundraising.
