## WELCOME TO OUR PARTNERSHIP NEWSLETTER:

Welcome to the first issue of our Partnership Newsletter. This is the first result of the three open-to-all committee meetings which took place in June.

Those meetings were established to look at the areas which the Partnership Development Group felt were of the most pressing concern to parishioners based on conversations and the work which so many of you took part in during Forward Together in Hope (A Strategy for the Future, Youth, and Communications).

Each of those meetings concluded with a list of actions which we will begin working on over the coming months. Anything we aim to do will be shared with you through your parish newsletters, the partnership news page online at [www.withonevoice.org.uk/ovingham](http://www.withonevoice.org.uk/ovingham) and through occasional bulletins such as this. We hope to establish a social media presence too so you can keep up with us on the go.

We value all that you have contributed to the wider church community and we want to ensure that you feel connected with any changes which we will undoubtedly face in the future.

In this issue, we provide details of the regular services and celebrations across the partnership and also Mass times for the Feast of the Assumption of Our Lady. We hope you will keep this handy as all of our priests will be taking a break over the coming months and so this may prove to be very useful to you.

We would like to wish you all a safe, peaceful, enjoyable and reflective summer.

*Fr. Adrian, Partnership Dean*
