

17th July 2018

Dear Parents, Carers and Friends,

Writing the final newsletter of the year is always a little emotional, but this year it seems a little bit more special than usual - and it's really hard to write!

I have some fantastic memories from the last 8 years; it has been a really happy time for me, personally and professionally, and I'm moving on knowing that school is in a good place to continue to improve and continue to serve the community.

I don't want to miss important people out (I probably will), but I would like to publicly thank Richard Zerny, our Chair of Governors, for his guidance, support, friendship and encouragement through my time here; Mrs Owen in the school office - always supportive, always helpful and always right! and Mrs Smith for her dedication to keeping the school and its grounds in fabulous condition. I cannot imagine how I would have done my job without their help.

Thank you to **'#teamkilham'** - teachers, support staff, midday supervisors and governors; the best staff team I have ever known and worked with. Thank you for all your positivity and ongoing dedication to the children. I am proud to have you as friends.

Thank you to the PTFA (past and present) - the 'extras' provided from time given up, effort put in and events organised have literally transformed our school grounds over the last few years. I am so grateful.

Thank you to all the parents and carers for your incredible support of what we have tried to do here at Kilham. Your ongoing attendance at parents evenings, meetings, shows, fairs, events, etc. is important, but it is also the friendly nature of so many relationships with parents and carers here at Kilham which is the foundation of working together successfully for the benefit of the children. I have always appreciated that.

Finally, thank you to the children. What can I say? They really are fabulous and a credit to their parents, carers and to themselves. Positive attitudes and endless energy, while always helpful and caring. They have been a pleasure to know and to teach and I will miss them all very much next year.

We have tried to make this school a successful one and a happy place to be, a place where children and staff alike all enjoy coming to. You can't please everyone all of the time, but I feel we have tried our best and I am proud of what the children, staff and school have achieved. If I don't get to see everyone before the end of Friday afternoon, then please accept my very best wishes for the summer holidays, for next year, and for the future. I am lucky to have had the opportunity to lead this smashing school and to have made so many fantastic friends along the way.

I said it last year and I'll say it again—this is a special place. Thank you all again for everything you have done.

With very best wishes,
Simon
