Dear Parent/Carer,

Before the school year is over, we'd like to take the opportunity to keep you updated with a few things that have been happening here at Ruskin. We'd like to start by saying a massive thank you to Mr and Mrs Rigden for giving up their free time to provide our children with a 3D printer demonstration. The children were able to watch the 3D printer in action and see how a computer design can quickly become a solid object. Clever stuff. Bastille Day was also a huge success, even getting itself a mention in the Swindon Advertiser which you can read about [here](#). On the same day, our year 3s set up their Egyptian museum in the studio: it was a wonder to behold, check out the treasures of the tomb below!

The school is looking to communicate with parents from a more eco-friendly perspective in September. Therefore, all letters and information will be emailed instead of you receiving paper copies. Correspondence will also be available via the school website, the school's app and on noticeboards. Paper copies can be obtained from the school office if you do not have access to the Internet. It is important that you update us with any changes to your contact details to ensure that you are kept up to date.

On another note, sadly Mrs Agambar will be leaving us in the new school year. She has been a fantastic asset to the school for number of years now and we will miss her a great deal. We wish her well in her future endeavours.

And finally, we'd like to say a massive thank you for your continued support: have a great summer and see you in September!

Kind regards,

Mr Beadnell
