Dear Parents/ Carers

## RE: FOOTBALL COACHING

Please find attached details from one of our parents regarding football coaching sessions that he would like to set up.

Iain McCallum has just completed a specialist coaching qualification and, as his son attends Oakwood, he has first-hand knowledge of children who have additional needs. He is passionate about making the sessions as inclusive as possible.

He is trying to establish who would be interested in these sessions so please contact Iain for any additional information and to let him know whether it would be something that you would like your child to get involved in. His contact details are attached.

Once Iain has been able to confirm whether there is sufficient interest he will then be able to arrange a start date.

This will be a fantastic opportunity for your child to get involved in a healthy activity, learn to work as part of a team, have fun and make friends!

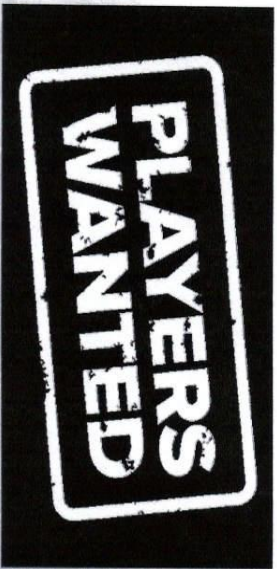

Yours sincerely
