TERM DATES

Please see reverse of this newsletter for next year's term dates.

It has nearly been 12 months since we introduced Parenthub. Unfortunately there are still Parents who have not downloaded the app and could be missing communications from School.

Over the Summer could you please ensure you download the app, create yourself an account, "Add a School" and enter @HendalPS. You will be asked to put in your mobile number and your child's date of birth, so we are able to communicate with you. REMEMBER TO TURN YOUR "NOTIFICATIONS" ON. This app will just work like Facebook or Twitter and alert you when you receive a message.

We hope you all have a wonderful Summer Break, from all the Staff and Governors at Hendal Primary.
