### Arts Week

This week, the whole school has had an arts focus to celebrate the end of our 'Amazing Animals' topic. It has been wonderful going into every classroom and seeing such a lot of creative activities taking place.

Wagtails invited parents and grandparents to come and help with their art on Tuesday afternoon, where there were some amazing gigantic animals being constructed.

In Woodpeckers, there have been some super pastel landscapes being created in the style of Paul Klee, using different geometric shapes.

Robins have been focusing on Australian Aboriginal art, and have created some beautiful 'dotty' artwork and painted stones.

Kestrels have been 'Under the Sea,' creating ocean themed pictures and recycled plastic fish, to link to their topic.

***We hope those of you who have managed to come to our exhibition have enjoyed seeing the artwork produced. Sadly there is not room to reproduce it all here, but there will be photos on the website.***

### Year 6 Reflection Day

On Monday, year 6 had the privilege of visiting Peterborough Cathedral, our 'Mother Church' as part of the Peterborough Diocese, for a reflection day along with other year 6 pupils from PDET schools. They took part in a variety of activities to help them reflect on their time at primary school and prepare for moving on, culminating in a service led by Rev. Sarah Brown. It was a very calm and spiritual day in a beautiful place – a welcome break from all the business of the end of term!
