Year 6...moving on

Year 6 will be sharing memories of their time at WSES in two ways tomorrow, in their morning leavers' performance and in church in the afternoon, and we are very much looking forward to what they have been working on secretly for the last few weeks!

We would like to wish all of our year 6s the very best of luck as they move onto Guilsborough. They really are an exceptionally kind, caring and responsible group of young people who have made us all very proud in the time they have been with us. GOOD LUCK to all of you, and please come back to see us and tell us how you are getting on – remember, you never really leave Welford; you are always a part of our school family.

Can you find any #islastones this summer?

As part of Arts Week, Robins' Class painted stones with aboriginal turtle designs as part of the #islastones campaign. Isla Tansey was a 7 year old girl from Hinckley, who sadly lost her battle with a rare childhood cancer last week. She started a campaign for people to decorate and hide

stones. When the stones are found people are encouraged to post a photo online and then re-hide the stone for others to discover. Isla's legacy has spread as far as America and Antarctica and Isla's family still want people

to carry on creating and hiding stones in her memory. With this in mind, Robins went on a village walk this morning and hid all their beautifully painted rocks around the local area.

More Sports Success!

For a second year running, WSES have been awarded the Gold Mark for our commitment and delivery of PE and Sport within the school and for participation in competitions in the wider community. This would not be possible without the dedication of Mrs Horn, who gives up a phenomenal amount of her own time to take our pupils out to competitions. Thank you Mrs Horn and congratulations on this outstanding achievement!

Dates for your diary...

20th July
TERM 6 ENDS

6th September
School opens to pupils – TERM 1

Thank you...

Wow – what an amazing, busy and productive year we have had at WSES. There have been changes to get used to and one or two challenges along the way, but we would like to take this opportunity to thank all of our families for your support with the work of the school and your children's learning this year, and especially to all the helpers who come in each week to support in classes. We look forward to working with you again in September after a very well-deserved rest!

Thanks also to Mr Barraclough for the loan of Chilli and Pepper the rabbits this term – the children have really enjoyed having them at school and learning how to care for them.

Reading

idea of the week:

Get stuck into a good book wherever you are this summer!
