Dear Parents,

Where has the year gone?

I cannot believe that we have just said goodbye to our Year 6.

They have been a fantastic year 6, they've worked together showing the school values in all they have done and have been kind, caring and responsible. They will be dearly missed, but I am certain that each and everyone of them will continue to shine in their new schools. We know you will be amazing and real assets to the schools that you are all to join. We wish you all the best for the next step in your learning journeys. Good luck our lovely year 6 children! You have done us all proud this year!

Thank you to the parents who have supported us with our decisions to trial the children wearing slippers in school. We are confident the children will benefit from this, as research has shown. However, if you really do not wish your child to wear slippers in school then do continue to send them into school in school shoes as previously. However, once the wet and muddy weather returns we will request they have a different pair shoes/ boots, trainers to wear outside on the playground, they can then change into their school shoes/ slippers once coming into the school.

In September school meals will increase from £2.25 to £2.30 per pupil. Fir Tree and Forge will still receive a free meal .

As from September we will be implementing penalty notices for unauthorised absence in line with our Attendance Policy, which can be found on our school website. Paper copies are also available from the school office. This policy is the KCC Model Policy.

Mrs Skudder one of our Midday Meals Supervisors is leaving us at the end of this term. Mrs Skudder has been training to become a Teaching Assistant and has now passed and has gained a full time employment at Meadowfields School. We wish Mrs Skudder all the very best in her new career. Mrs Wood is also leaving her Midday role at the end of term but we are happy to say she will still be in every morning running the breakfast club.

We are hoping to swim again starting the second week of September and we are asking for helpers on these dates:-

| | | | |
|-----------|----------|----------|------------------|
| Monday | Fir Tree | 11-12.30 | 2 helpers needed |
| Tuesday | Oakwood | 2—3.30 | 1 helper needed |
| Wednesday | Forge | 11-12.30 | 1 helper needed |
| Friday | Fir Tree | 11-12.30 | 2 helpers needed |

(All volunteers do need to hold a DBS. Please call into the office if you would like to help out in school and we can arrange a time to carry out a DBS for you).

Best Wishes

Michelle Cox

Another set of outstanding results for Bredhurst School!

The information below compares the attainment of our pupils with local authority and national averages. We are delighted with the excellent results across the school. They are a tribute to the children and the staff.

Please note that 2018 national and local comparative data is not available yet in the majority of cases (some 2018 KS2 comparisons are shown). The remaining comparisons will be posted on our website as soon as they become available. In the meantime 2017 data is shown.

Early Years Foundation Stage

80% of pupils in Reception attained a Good Level of Development against the Early Years Framework. This is above the 2017 local authority average of **74%** and the national average of **71%**.

A Good Level of Development is defined as children working at the expected standard or exceeding the expected standard in the key areas of literacy, maths, physical development, communication and language and personal, social and emotional development.

Year One Phonic Screening

94% of pupils in Year One attained the expected standard in the Phonic Screening test. This is above the 2017 national average (**81%**) and above the 2017 local authority average (**82%**).
