**Harefield Junior School**

Dear All,

**Federation of Harefield Infant School and Harefield Junior School**

The period of public consultation concerning a proposed Federation of Harefield Infant School and Harefield Junior School has now ended. Feedback received during the six week public consultation period, which also included an Open Session, has been positive and no concerns or issues about the proposed federation have arisen.

I am therefore writing to advise you that the Governing Bodies of Harefield Infant and Harefield Junior schools have now agreed to establish a single Federated Governing Body with effect from 4<sup>th</sup> October 2018. In place of the two existing governing bodies, a single governing body will now be formed with representatives from parents and staff of both schools, as well as a local authority governor and co-opted and associate governors. Together this group of people will take overall responsibility for both schools within the federation.

As previously explained, only the Governing Bodies are combining, Harefield Infant and Harefield Junior schools will continue as separate schools, albeit with increased opportunity for co-operation and collaboration across the two schools.

I would like to take this opportunity, on behalf of the Governing Bodies, to thank you for your continued support of Harefield Infant and Harefield Junior schools.

Yours sincerely
